

Summary

Cammie Morgan is a student at the Gallagher Academy for Exceptional Young Women, a fairly typical all-girls school — that is, if every school taught advanced martial arts in PE and the latest in chemical warfare in science, and students received extra credit for breaking CIA codes in computer class. The Gallagher Academy might claim to be a school for geniuses but it's really a school for spies.

Cammie Morgan may be an elite spy-in-training, but in her sophomore year, she's on her most dangerous mission — falling in love. (*Amazon.com*)
